“ Christine, you may not remember me but I worked with Keith at Sams club for years. I though of him today as I often have and wondered how well he was doing. I decided to google him and i am so sorry to hear of his passing. Keith was such a great guy, was always willing to lend a hand and had such a calm and humble demeanor. I have missed him over the years. I often look at the blankets you guys had made when my children were born and reminisce about our days at Sams. I pray that God holds you close and I pray that Keith is resting peacefully . Love always Ramona

“ Keith was a wonderful husband to our cousin Christine. He was such a loving caring beautiful man. He was a great father and so caring to his friends. Our family loved Keith so much. His heart was just full of so much LOVE that he shared with everyone! He was such a good man. He and Christine was such a perfect match for each other. Their love for each other was so strong, so real, and so unique. None of us will ever forget Keith because of the man he was. Memories of Him will always be in our hearts. GOD BLESS him. He is one of GOD's Angel's for sure.

“ Chris and family,
I wanted to let you know how sad we are that Keith has passed. You all have memories to keep and hold onto.. He helped Becky move into her house even though he had Parkinson's what a nice man he was! The ceremony honoring his service to his country was well deserved. May God bless all of you.

“ Keith loved my cousin Chris with all of his heart and was such a wonderful person. We were so blessed to have him as a part of our family. I know if I need some help to get through the heavenly gates, Keith will put in a good word for me.

Chris and Keith were the perfect couple and was always doing so much for family, their church and community. He is at peace with the Lord, but is and will always be in our hearts forever.

Love you!
