“ R.I.P. Bro. Ur in my heart forever. It's going to feel weird not seeing u around but I know ur still here. I already miss the sarcasm and punny remarks. Ur my brother in life and in death but I'll seeya on the other side to say what's up just to hear ur notorious answer. (Those of u who know what it is..lol..those of u who don't..prolly shouldn't. XD) I miss u bro..and I love u always. I don't know how to express that enough. We argued at times and we bumped heads but in the end I'll never stop loving you. U left me too soon and I didn't get the chance to tell u how much u actually mean to me. I can't wait to see u again.~~~~~Steve~~~~~

“ rest in peace Keith, I remember the Hilton Head trip and he gave me a dolphin blow up floaty and the camping trip and i caught a catfish that was dead and Steve held it up and someone took my picture. I will always remember the way he treated me, he treated me like i was a very special little girl and like i was his own daughter. I don't have very many memories of him but he did leave a big mark in my hart. I will miss u very very much and I wish we could have had more memories together, I haven't seen him for at least 8 years. Rest In Peace Keith my cousin love u will all my heart.
