“ *Our deepest sympathy to Peg, the entire Grant Family and Taylor Family on the loss of Kenny. I will always remember the way I was welcomed for all the family gatherings, picnics, parties and holidays. Kenny would always take time to ask how I was doing and how the family was but he didn't do it just for me but everyone he met.*

When someone passes I like to think we do not mourn the loss of a loved one but celebrate the new life that Kenny has entered and the new life we will all enter a life of peace with our Savior and Lord Jesus Christ.

Give him a big hug Helen.

Love

“ I only knew Kenny briefly through his neighbor across the street. Upon our first meeting, he immediately made me feel welcomed and at ease. It was always a pleasure to see him at Spatz and we had many friendly and entertaining conversations. Kenny invited us into his house several times and we always felt welcomed and not as a guest, but as a member of his family. It was my pleasure to have gotten to know him. Drew “Joel” Gurbach

“ I'm sorry for your loss. We live right down the road from you. We see your house from ours. Even though I did not know Ken well from the short time I did, he was a really nice and friendly guy! He would stop in the store at the top of our street. Our prayers go out to the family. Kit and Karla Brandenburg
