“ Marie & Family, Kenny was a dear friend...even though we haven't kept in touch as much as we used to, he's been always in our hearts. When we met Marie, we thought, Kenny might just marry this woman. She's a perfect fit. He's always wanted to live in the country with his dogs, have space and there was a calm about him. Hmmm how right we were. In my early relationship with Bob, I lived in Eastlake, Kenny actually rented the efficiency "suite", if that is what you want to call it, behind the garage at my house. He was always there. My kids just love him !!!! They 36 & 35 now !!! Bob & I would have him over EVERY SUNDAY for dinner at our house. One time, while Bob was away on a golf outing, I bought some ceiling fans, and he put them up for me, Bob HATED to come home from outings because he was afraid to walk in the house to see, what I did to the house. I was always doing something, painting, wallpapering... BUT out of all the things I did, he Loved the fans, naturally, one was in our bedroom.... Boy, he thanked Kenny up and down for that one. See, Kenny was so goodhearted, he would do anything for someone. Sweetest man. I loved him dearly, we know he will be missed by all.
