

Kenneth D. Keener

July 18, 1950 - December 28, 2022

Kenneth D. Keener, 72, of Perry Twp. died at his home with his family by his side on December 28, 2022. He was born July 18, 1950 in Painesville.

Ken worked as an engineer at Lubrizol for 39.5 years. He was a member of both Lubrizol's bowling and golf leagues for many years.

He was a member of several clubs over the years including the Fairport Rod and Reel Club, Lake County Rod and Gun Club and Crooked Creek Conservation Club. He was also a member of the NEO Model A Ford Club for 20 years, serving as secretary for several of those years.

Ken was a 1968 graduate of Perry High School, a 1972 graduate of Lakeland Community College and a 1987 graduate of Cleveland State University.

Ken loved anything outdoors such as fishing, hunting, hiking and kayaking to name a few. He loved working with his hands and, like a true engineer, finding creative solutions to fix problems.

Survivors include the love of his life and wife of 49 years, Sharon Keener; daughters, Kerri (Morris III) Beverage, and Kelly (Tim) Ayers; grandchildren, Bryce, Molly, Wade, and Kaewyn; and his sister, Jane (David) Kroner. And many loving in-laws (and "outlaws"), nieces, nephews, and cousins.

He was preceded in death by his parents, Walter and Thelma Keener.

The family will receive friends from 10 a.m. – 1 p.m. Tuesday, January 3, 2023, at the Brunner Sanden Deitrick Funeral Home & Cremation Center, 8466 Mentor Ave., Mentor, OH 44060.

A funeral service to honor Ken's life will begin at 1 p.m. on Tuesday at the funeral home.

Interment will be in Perry Township's South Ridge Road Cemetery.

In lieu of flowers, the family requests contributions be made to Hospice of the Western Reserve, P.O. Box 72101, Cleveland, OH 44192. Donate online at www.hospicewr.org.

Please offer condolences at www.brunners.com.

JO

“ *Such a nice person and wonderful friend. His temperament and demeanor made Ken an enjoyable person to share time with. Many appreciative recollections of Ken's texts where he sent us a video clip or joke. Wondered how he always remembered the punch lines and have such a smooth comedic delivery of his stories. Will so miss his calls asking, "9 holes or 18?"*

“ I worked with Ken on various projects over the years at Lubrizol. He was a talented engineer as well as an astute and clever man! I always enjoyed working with him and he taught me many aspects of instrumentation and engineering that I am most grateful for! My prayers and condolences go toward the family during this trying time.
