“ Ken was our neighbor and friend for many years in Mentor... in fact, he and Sue found our house for us. I sure appreciated his willingness to help in any way he could. I loved watching him working on cars with Chris and Adam....right down to that crazy thing that would drive on three wheels.
He was a faithful friend. He could tell a story like no one else. He was a hard worker and what ever he did, he did perfectly. I never heard him complain.
He was generous to include Adam in many of the things he did with Chris.
Chris, Carter, Caleb and Madison I am so sorry for your loss.
With deepest sympathy,
Debby Ruminski
