“ I follow the FB page of my high school and heard of Kevins passing. I remember him from elementary and high school. He had a maturity and sensitivity greater than most of the other boys. An old soul and the way he lived reflects that. He appears to have lived a rich full life, and I cannot think of anyone more deserving. James Kelly

“ I have fond memories of Kevin (and Jim) from my days at Bailey Controls. Kevin was always busy doing something for “Bud” and always had a cheerful attitude and a friendly greeting (and laugh). May God bless and comfort you all. Jeff Conrad
