“ I am so sorry to hear this! Kim and Bonnie were my favorite people to see when they came to Mentor Heisley Racquet Club. He was the kindest soul that I ever met. Rest in heaven sir!

“ One of the people I always looked forward to seeing. I delivered steel to Kim's shop and whenever I saw Hylun machine on my delivery sheet I knew it was going to be a good day. I haven't seen Kim in quite a few years, but I'll always remember his warm smile and friendly welcome and some great humor he had. My condolences to his family and friends.

Kim was a class act, a good friend and high school classmate. Even though he and Krueger never invited me to go skiing.
