“ I went to school with Kim at Kirtland and remember her as always smiling and having a fun, bubbly personality, she was a beautiful person both inside and out. My thoughts and prayers are with the Zivko family at this time of incredible heartbreak and loss.

“ Lynn,

I'm not sure if you will remember me, but my daughter Jessie was a classmate and a friend of Kim when we lived in Kirtland. I just can't express how I felt when I read about you loosing your precious daughter, Kim. I do remember her as a quite child. I used to joke that my daughter had a "fatal attraction" to Kim. At one point they were very close. Kim was a lovely child and I'm sure blossomed into a lovely young lady.

Our lives went on, but I do remember you and your beautiful family. I saw where you moved or at least bought another house. I will be retiring in June and returning to Lake County as my daughters have moved to Brecksville, Lakewood and all of my family still lives in Lake County. Hopefully our paths might cross again.

I'm so sorry it took this to write. Kim will be in my prayers.

Take care and kiss and hug Kim's Danny,

Judy Lane Mitchell

Judy,

Thank you so much for your kind words about Kim and her little boy. The love and support from so many people has been amazing and has helped us get through this incredibly difficult time. I've thought about you and your girls over the years and wondered how you were all doing. I remember Kim and Jessie having a lot of fun together. Hopefully we'll run into each other again one day -it would be great to see you again.

Take care,

Lynn
