“ I found out about Kris’s passing a few short months ago. I am so, so sorry. I found the pearl from Sea World. Our date. I knew I put it somewhere safe. I’ll have that forever. He was something else, so talented. So spirited. He always had to prove his way was THE way to do it. I worked with him building his truck. I helped, when I could. I supported his dream. I’m happy he had a good life surrounded by friends and family. I thought of Kris very often through the years, and hoped we would reconnect, if only to say “Hi”. I’ll wear his pearl close to my heart.

“ Karen, having just learned of this, I am very sorry. Kris was a great guy, so sweet and kind. We met on the first day of junior high, and I enjoyed living across the street from you all for the last ten years plus now. If I can be of any assistance, I hope you won't hesitate to ask. I am very sorry for your loss. See you soon. David S.
