“ My husband Jim and I were very saddened to hear of Larry's passing. I worked with Larry at Crossroads, we became friends there. After he retired he was always just a phone call away to help with many small jobs around the house as he was an excellent fixer upper guy!! His energy was catching and his good heart was showing itself. We will really miss him. Rest in Peace Larry.

“ Larry was one of the nicest people, a true gentleman. It was good to see him again at a grade school reunion after 50 years. He told me how he lost his wife and I could sense the pain. There's a place in heaven for you Larry. Rest in peace.

“ Larry became a friend in the last couple years. He was a kind, considerate and a gentleman. When he would come to do work at my condo, my dog Bella would sit and wait for him and stare at the door till he arrived. Always showed her love and attention before he would start work. I will miss his pleasant personality. Rest In Peace Larry.

“ Many, many wonderful memories shared with Larry throughout both grade school and high school including altar server duties, going to Cathedral Latin football games, dances and just hanging out. We just reconnected at our 50th high school reunion and I just had dinner with him as he was planning to join ours Italian club. So sad and sorry at his passing, but my many memories of him will always be with me. I am certain that he is at home in Heaven with our Lord as he was truly a wonderful human being

“ Just had dinner with him and Al in November and he looked great! I also went through grade school and high school with Larry. I am absolutely stunned and upset. My heart goes out to all his family members and friends. May he rest in peace.

“ So sorry to hear about the passing of Larry. I had breakfast with Al right before Christmas, he told me that Larry said hello and Happy Holidays, I asked how he was doing, Al said good, that is the reason it was such a shock to hear the news of his death. We went to grade school and high school together. Sorry I can not be there in person to see you off. Larry you will be missed! Your friend Don Selig.
