I was so glad to have had the pleasure of knowing Laura. She was such a sweet and caring person. I always enjoyed interacting with her on Facebook and Words With Friends over the past few years. She will be greatly missed.

“ *My Laura Lou.....I will miss you dearly. You were like my own blood, the grandmother I never had. Your words of wisdom will forever be cherished and appreciated, as well as your wonderful sense of humor. Such a beautiful person you were, and I am so happy that we got to interact and connect the way we did. You will forever be engraved in my heart. You said I was your angel, now you be my angel and watch over me. Love you so much my dear sweet Laura.*
