“ *Laura,*

When I first met you, you made me laugh and now Bridges won't be the same without you. I'll miss your smile each and every day when we're at the movies I'll miss seeing you walk in and I'll always remember when you brought Jersey Mikes for everyone while at exercise class one day. Rest easy and fly high and until we meet again. My condolences are with your family during this time of grief.

Laura was a proud American, proud to have served her country, and always enjoyed greeting new members in our Bridges group. She was a kind, fiercely independent woman whom enjoyed sharing of herself every chance she got. I am glad to have gotten to know her and will miss her as will many others in our group. Love and prayers to her family whom I hope will be comforted in knowing she is at peace in heaven with our Lord's loving arms around her now.
