“ We had the pleasure of living next door to Lenovo since 2003. He was a wonderful neighbor and I'm grateful that we had the chance to share our lives with him. He will be missed...big shoes to fill when the time comes.

“ Uncle Len was one of the cornerstones of our extended family. I have wonderful memories of him from all the Christmas/birthday celebrations to the many times spent in his tv room every time Aunt Lola did my moms hair. We were lucky to have him as part of our family and he will be missed!
