“ I'm so sorry to hear about Mr. C. I often thought about you guys and all the fun we had for a lot of years. I remember the one morning after staying the night at your house and I could not even get out of the chair (just a little hung over) and every one was getting a big laugh out of it. Those good times at the club will never be forgotten either or the crazy trips to see us at Erieau . I miss all of that but I will always have the memories.

“ Its such a sad time.... Mr C was the life of the party 😊 He taught me how to dance and he taught me to appreciate music like no one else 🎵🎸🎵🎺 he was such a huge part of my life growing up and I can only hug him in my prayers for all the advice, compassion and friendship he gave to me and my brother. Mr C, I love you 💖💖💖 and every time I hear a polka I will think of you and I promise to always let the man lead 🙏
