“ Dear David, Daneen and Diana: My son Dennis told me that your mom passed away and Larry and I sincerely send our condolences to you and your families. One day in 1983 Linda called me at work and asked if I was looking for another job (I was updating my resume as she called). Within two weeks, I was working in the same office with your mom in Laboratory Hematolog at CCF. We shared many experiences together both personally and professionally. On top of that, your mom introduced me to my husband Larry whom she knew through a mutual friend (Audry Kramer). I will remember your mom as a wonderful, compassionate, and loving woman who loved her children very much. She lit up a room when she walked into it and she was so much fun to be with. She will be missed by many people whose lives she has touched. We send our love to all of you. Marguerite (previously Ames) and Larry Seymour of Port Richey, FL.
