“ *So many fond memories of Linda on Sanibel beach walks, poolside sunning, love of movies and dining out as a family. You were the Queen of Euchre and Trivial Pursuit...a force to be reckoned with! It is with deep sadness we say goodbye to you but the memory of your kind and gentle spirit will remain with us forever. With our love and sympathy, Judy & Larry*

“ To my sweet sister Linda. Even though you were my big sister, I always felt a motherly presence with you. Whenever we were together as a family in Florida you always guided me with your wisdom and gave me great advice on anything that was on my mind. I will always treasure that.

Your smile lit up the room and your laughter made me laugh. You had the greatest giggle! Your sense of humor was unmatched, and you saw the laughter that life can bring.

Probably the thing that I will miss the most is your hugs. They were the greatest. and longest hugs. You always made me feel that I was special, I was missed, and you were my loving sister.

To Tom and Tom Jr., thank you for treating my sister with love and caring throughout her life. You both gave her wonderful memories and a life that she cherished and deserved. I never saw her unhappy. I thank you both for that. My thoughts and prayers are with you both.

I remember many years ago I was watching home movies from our family and I saw a 10 year old girl dancing around the room. I asked, "who is that?" Later I found out it was Linda. Well sweet sis, I imagine your leading the dance floor in heaven!

Love and miss you,

Dale Kuehne

“ *Tom,
So sorry to hear of the passing of Linda. I have many memories of get togethers with you both. It definitely is a terrible disease.
Thoughts and prayer for you and your family during this difficult time.*

“ To our loving daughter and sister. Even while we are several states away you have always been a loving part of our family. You have always been kind, loving and a very caring daughter and sister. While miles have kept us apart, you have always been in the hearts of our family. To Tom’s family, we are so sorry for your loss. I wish we could have spent more time together but distance and medical issues with Gerry have made it difficult for us to be together during this difficult time. While this is a difficult time for us and Linda’s mother, we all know God has a special place for Linda in heaven and we will once again be together.

God Bless

Al, Gerry, and Joanne Kuehne

“ You will be dearly missed grandma. I will always remember you “cracking the egg” on top of our heads and putting us your knee and doing “this is the way the lady rides”. You know what I mean, I love you!!
