“ I used to live just down the street on Prentice Dr. and was recently talking with my husband about our “first jobs”. I was curious and typed Lloyd and Nancy into my phone. Up came this sad information of Lloyd’s passing.

My first job was babysitting for the Shepherds. I was 12 or so and Gary & Connie were maybe 4 and 2. Mr. Shepherd was always kind to me and both he and Mrs. Shepherd were excellent loving parents who truly cared for their children. My sympathies to all who loved Lloyd...and it appears he enjoyed a large family. My best to Nancy. You two offered me the very best “first job” experience ❤️ Sue (Van Jura) Bundy

“ I was very sorry to learn that my cousin Lloyd passed away this week. While I have not seen him often over the last many years I have great memories of him from his time living in Canada. Even as a teenager he had the reputation of being a serious hard worker. He not only had a paper route delivering the Brantford Expositor newspaper (assisted by his sisters Leone & Evelyn) but also made house to house deliveries of milk for Keith Bannister's dairy. He was a very well liked and respected part of the Scotland Ontario community. Over the years I have often been asked by people who knew him back then how he was doing.

“ *Mr. Shepherd was such an amazing neighbor to my sister, dad, grandma and I. He cared for everyone. His yard was beautiful and he made sure the entrance to Prentice Road was beautiful for everyone. Him having an ‘infectious laugh’ was perfectly written. We loved taking Buckeyes from the tree in his front yard. My grandma would give them to us as good luck charms. We shared the same birthday, something I’ve known since I was little. I will make sure to celebrate him this November on our special day 😊.*
