“ *Was such an amazing man who loved his mamma, radio, dollar bills, cheeseburgers, juice/pop, and just company... His last day on earth was one of his best, he laughed we listened to music and we just spent time together, I thought at the time it was a normal day but when I went home and found out I the realized he gave me one last good day with him and I will forever be grateful, his smile, the way he he hummed his favorite song (out of this world) over and over he was at peace I just wished I gave him one more hug but he knew he was loved... I hope he's eating all there cheeseburgers, drinking all there pop, cuddling with all the cats, running around, and getting everything I wish we could have gave to him... Rest in Paradise Lonnie you were and still are loved tremendously❤️*
