“ *My sincere sympathy to the family. I am a neighbor and although we didn't see each other often, we enjoyed friendly conversations. Loretta was a very kind person; we shared the love of dogs. I know she missed Ray very much and being alone was hard. I'm sure that he was waiting for her with open arms. May God give you comfort during this difficult time. Claudia widgren (6684)*

“ *My deepest condolences to Lori's family...I am a former co-worker of Lori's from Wickliffe and I just wanted to let you know how very kind she was to both her "school family" and students. We had many wonderful conversations about working with "special needs" children. As a parent of a developmentally disabled child myself, I often used Lori as a sounding board for my ideas or just to vent. She was a great listener! Truly, Lori was one of the kindest, most compassionate people I have ever met in my lifetime. I last saw her at my retirement party two years ago and had no idea she was that ill until I recently saw it mentioned on Facebook. The planet lost a wonderful human being; although I am quite sure she's in a better place! Just wanted you to know that she was loved by many, especially by the hundreds of children whose lives she has touched!*
