“ I worked with Lola for a few years at eat n park she was a wonderful person and was very easy to work with! AlwAys willing to lend a helping hand. Years after I left eat n park she always remembered my son and she would go visit his neighborhood in her ice cream truck. After my son moved out of the neighborhood she would still bring her truck to visit him At his house even though it really was out of her way. She was truly a kind hearted woman and will be missed. My deepest sympathies to your family during this time! Amanda Bosley
