

## Lori Rene Ehinger (nee: Voleski)

August 11, 1971 - August 10, 2022

Lori Rene Ehinger (nee: Voleski), 50, of Mentor, passed away at the David Simpson Hospice House on August 10, 2022 after a courageous battle with Stage IV Metastatic Breast Cancer. Lori was born in Willoughby, Ohio on August 11, 1971 to Nita Lynn (Ward) and William Voleski. Lori was a graduate of Mentor High School, Bowling Green State University and Lakeland Community College School of Nursing.

Lori is survived by her three children, Owen, Reese, and Ellery Ehinger; parents, William and Nita Voleski; sisters and brothers-in-law, Lisa (Martin) Fellows and Annette (Brett) Haney; nephews, Mitch and Simon Haney, along with her beloved Wheaten Terrier, Lily.

Lori was a registered nurse, most recently a practicing school nurse. She became a nurse while her children were still young and while undergoing treatment for her original breast cancer diagnosis. Her career began in the PICU at MetroHealth and then as a school nurse in Euclid City Schools, Willoughby-Eastlake Schools and Mentor Schools. Lori treated her patients and students much like she would family with a deep concern, laser focused attention and a soft caring touch. Her smile would make anyone feel better. She was never judgmental and always a good listener with an unyielding care of humans.

A dear friend to many. Lori enjoyed sweet treats and baking. She always had so many laughs and good times on her college girlfriend trips. She appreciated the beauty of looking for and collecting beach glass along the shores of Lake Erie. She had a love for Cleveland and was a loyal and lifelong fan of Cleveland sports teams.

The family will receive friends to celebrate Lori's life from 3:00 – 7:00 p.m., Wednesday, August 17, 2022 at Brunner Sanden Deitrick Funeral Home and Cremation Center, 8466 Mentor Ave., Mentor, OH 44060, followed by a memorial service to conclude the gathering.

“ We are lucky that we knew Lori as neighbor and friend. Her presence in our lives will be missed, but her legacy is secure in her children, her family, and her friends. The testimonies to Lori given last night at the service by her friends and her sister were amazing - they evoked Lori's essence perfectly while being both funny and poignant. You did Lori proud.

*To Owen, Reese, and Ellery, if there is anything you ever think we can assist you with, please reach out to us.*

“ Lori,  
*The world is a bit darker without you in it! Your smile and your example of the love you have always shown for your children was an example to all of us “Mom’s” who were raising kids along side of you! All who knew you were blessed by you! I am so thankful to have been considered your friend. You were a difference maker! I will always look forward to reuniting with you in heaven where you are whole and healed forever! Love you Lori - Sincerely, Marianne*

“ *I was sitting in her driveway one day when she returned from her Florida Girls Trip. I asked her if she wore sunscreen. She said "Nope.....there's no Stage V". That sense of humor carried her throughout the last 12 years and I will greatly miss that and her infectious laugh. The world was certainly a better place with Lori in it. I know my world was. My deepest heartfelt condolences to both the Ehinger and Voleski families.*  
*Love to All,*
