“ Lorraine will always be my Grandma in Ohio. Although my family lived out of state, She and my Grandpa always made a huge effort to be present in our lives. Even in recent times, her requests for updated pictures of her great grandchildren to be sent to her shows her effort to feel close to them. Grandma showed her love in so many ways but I will always remember how she would send my sister and I packages in the mail just to say that she was thinking of us and how much she loved us. I admire her for being a tenacious, strong, authentic woman. She will always be my Grandma in Ohio.

“ Lorraine was so special and she made my day worthwhile each and every day I went into work and saw her. Her smile was infectious and unforgettable. She was funny and beautiful and appreciated. I will miss her dearly.
