“ I just found out today the lost of one of my good friendS. I am so sorry to hear the lost of a great man. I have many memories of playing ball with Fox. I will miss talking with him and his chili gatherings with the other men. I too will miss his trivial questions. One of my fondest memory of Fox was in one particular ball game, I was playing third when a ground ball came to me. I thought I made a perfect throw to Louis at 1st. Then he dropped the ball and I yelled “Louis!!! Perfect throw!” And Fox responded, “The light was in my eyes!”. These are the memories I will hold on to and cherish, honored and blessed to call him my friend. My family and I are sending our condolences to you Linda and your family. -Stan Dackiewicz
