“ Aunt Louise always made me feel special I have a lot of special memories of her. She was kind, loving, caring, and I loved her so much. I remember the fun times at the Fleetwing..Sitting around singing and laughing, we had so much fun. Aunt Louise was the last of a special group of people who had a bond that we do not see today. The love between these siblings was unbelievable. I know that they were all waiting for her and I can. Picture Uncle Joe waiting at the gate with a bunch of flowers saying I missed you and giving her a great big kiss and hug while her Mom, Dad, brothers, sisters, daughter and grandson were there to welcome her. I can see my dad playing the trumpet, Uncle Irvin playing the comb and jug. What a wonderful celebration it was. I want everyone to know how much I love her family and her. The last of this amazing group of people from Crusso has gone but they left behind a wonderful legacy
