

Louise M. (Richardson) Singer

April 4, 1931 - January 16, 2022

Louise M. (Richardson) Singer, age 90, of Eastlake, passed away Sunday, January 16, 2022 peacefully at her home. She was born April 4, 1931 in Oak Park, IL.

Louise was a spunky homemaker who enjoyed gardening and caring for an array of plants and flowers. If you ever had a plant question, Louise was your go to girl! Many afternoons, you could find her relaxing watching her favorite shows, Court TV, Chicago PD, and Dr. Phil. For those of us that knew Lousie, we could all agree that she was a little stubborn and ornery! She would often use phrases like “I don’t need that, those are for old people!” But more importantly, we also know that she was a very caring soul. When Louise would be out and about with her daughter, Robyn, she would always reach out to help strangers, even when her own mobility was limited. Wherever she went, she would make people laugh and smile with her wit and sarcastic sense of humor. Louise took pride in her appearance. She would never leave the house without her lipstick on and hair done (even when masks were required). Louise was truly one of a kind and will be missed by many. Her spirit and memory will live on through those who loved her.

Surviving Louise are her children: Robyn S. Paterniti and Keith (Gwen) Bishop; grandchildren: CJ (Casey) Paterniti, Shaun (Chelsea) Paterniti, Dustin (Cortney) Paterniti and Cody (Nicki) Paterniti, Keith and Terry Bishop, Christy

(Josh) Javins, Patricia (Russ) Hahn, John (Karin) Scott and Debra Brown; great-grandchildren: Amelia, Paige, Hayden, Braelynn, Averie, Sawyer, Hendryx, Jade, Amanda, Jenna, Savannah, Joshy and Jeffery; siblings: Patricia (Noelle) Nevarez, Judy (Tom) Keller, Kurt and Greg Wilson and her loving caring Angels: Rose and Koey.

“*I never met Louise in person but I came to feel I knew her well. We communicated by email, letters, Facebook and phone calls over the years. We were kin by marriage but separated by time and distance. Her daughter Sandra found me first while researching the Bishop cousins. Her father and my mother were first cousins. Mom remembered him from her young girlhood in Chicago. Many years later one of the Bishop cousins left a legacy to be divided between all the living Bishop first cousins or their children. Ruth died in California. Somehow the attorney found my mother in central Ohio and somehow she found Louise who helped her find more cousins, spouses and children of cousins and so the legacy was shared. So I connected to Louise two ways, through my 2nd cousin Sandy and through my Mom looking for Sandy's father or his children and stumbling on to Louise. As far as I know, Louise was the last living link to that generation on my grandfather's side, Mom having passed on a few years ago at almost 98. She would have been 100 last year. And now, as Robyn knows, we are getting to be the oldest generation, just a few left in the generation above and none in my line. Sending love and great affection from the Frank Bishop Grandchildren and our families to the Bishop offspring who called Louise Mom and Grandma and all the rest of her family as well.*
