

Luke Jordan Barlow

April 11, 1987 - March 9, 2025

Luke Jordan Barlow, 37, of Metairie, LA, passed away March 9, 2025. He was born April 11, 1987, in Johnson City, TN.

Luke cherished spending time with his family. He and Judah made frequent trips to the duck pond, played with dinos, and enjoyed weekend morning waffles where they shared the best jokes. He was always ready for a family outing to the arcade, attending local baseball games, watching movies, and listening to music. Family gatherings were full of board games, conversation, and laughter. Luke was an animal lover, especially his current and past pets. He immersed himself in fantasy worlds like Lord of the Rings' Middle Earth and looked forward to building friendships and community through his weekly D&D sessions. Luke spent many hours crafting in his woodworking shop. He trained many years in jiu-jitsu, progressing through belt and stripe levels. Luke loved the hills of his birthplace in Tennessee, the culture of his home outside New Orleans, and, as a recent transplant to Northeast Ohio, was looking forward to Guardians games and exploring the area as he began a new career.

Survivors include his wife of 14 years, Emily Barlow (nee: Guynn); son, Judah Barlow; father, Billy Barlow; father and mother-in-law, Kevin and Raye Guynn; sister-in-law, Sara (Andrew) Ross and their daughter, Maerin Ross; brother-in-law, Michael (Aubrey Ayotte) Guynn, and many other loving family members

“ Luke and I started jiu jitsu maybe 6 months apart, but he was always one of my favorite guys to train with. Learning to deal with bigger guys was great, but watching him learn how to really use his size and strength was awesome. I’ll never forget the day we did a sparring session and we both went for the same kick, but his landed first. He didn’t mean to hurt me, but the placement was perfect and I spent the next few minutes on the ground. We usually spent the time after training talking about nerd stuff... comics, movies, and tattoos mostly. He’ll be sorely missed.

“ We were cousins, but when our families gathered for Thanksgiving we were best friends and partners in crime. My best memories of Thanksgiving and my cousin are sitting in the kitchen of my childhood home eating homemade cinnamon rolls and discussing the existential questions pressing 10 year olds before anyone in the house stirred. RIP Luke. This doesn't feel real, cuz.
