“ So sorry that I just found out Lydia is in heaven. She was my son's Sunday School teacher a long time ago, and she cooked us a wonderful meal one time that I still make to this day, where you cook the pork chops in the oven and then make the rice with that flavoring adding other ingredients. So sorry for your loss, Joe and Gil and Gail.

“ Lydia was playground monitor at Rice Elementary when both of my kids were there. She always gave them jolly ranchers. Years later she came into the bank where I work. Always bubbly. Lydia was so kind. My thoughts and prayers are with her and her family.
