“ *My heart goes out to all family and friends of Lyle. He was a pleasure to have as my brother in law. I have many fond memories of him. The funniest memory was when I learned he could not skate at all. He felt most comfortable climbing the snowbanks with the skates. I thought he was a person with an awesome sense of direction. He never needed to ask directions. I was just a young...ster when he married my sister. That was a beautiful day. The saddest time is having to write this today. God Bless you...Love,.Elaine...aka E*
