“ *My thoughts and prayers go out to Dwayne, his sisters, and all of the nieces and nephew's in Lynn's family. I am deeply saddened by the loss of my childhood friend, but I remember the wonderful times our families shared, whether it was band, or Scouting. I will always remember the fun we had as kids at your parents home! I know Lynn is in a better place with her loving parents and sister. May God rest her soul. Dan Hegybeli*

“ *My deepest sympathies go to all of you, her family. I last talked to Lynn about a year ago (we moved to FI), but she always talked about her family, especially how much she adored her nieces and nephews. I knew you all at one time many years ago through your parents. Your family has suffered great loss, but you know you must always move forward for them. You were greatly loved by Lynn, and that was her gift to all of you. She will be missed by many, but has left her mark on the world! With deepest sympathy, Lynn Hurtt Barbarotta*
