“Heavens most beautiful angel ☐ Grandma, you will be missed dearly. I hope you're up there dancing and doing the jitter bug like nobody's watching. You weren't just my grandma, you were and always will be my best friend. I could sit here all day and night writing about what a beautiful and wonderful person you are. Just full of love and joy.

As a kid I always got embarrassed when she would tell EVERYBODY (all of lake county) how she was in the delivery room the day my twin and I were born and how it was the happiest day of her life. She'd pick me up from school, she'd tell the front desk lady, my teacher and even the janitor. At the grocery store she'd tell the cashier. at a restaurant she'd tell the server...I would do anything just to hear you tell that story one more time.

This isn't a goodbye...I'll see you again someday ☐
