

## Lynne Thomas

November 22, 1947 - January 30, 2024

Lynne Thomas, 76, of Mentor, Ohio passed away January 30, 2024 at home, surrounded by her family after a very courageous battle with cancer. She was born November 22, 1947 in Cleveland, Ohio to the late Wilbur and Edna Radtkin.

Lynne worked many years as a Respiratory Therapist and then ventured into medical sales and marketing before retiring. She loved to travel and enjoyed countless vacations with family and friends. After retirement, she spent several winters in Florida to escape the cold, gloomy Northeast Ohio weather. In the summer months, you could usually find her golfing or entertaining people at her pool. Lynne was the most devoted mother, grandmother, and friend that anyone could ask for. She rarely missed any activity involving her daughters or granddaughters and was the life of every party. Her contagious smile and sense of humor could light up a room and she was always willing to lend a hand to anyone who needed her help.

Survivors include her daughters, Noelle (Ed) Alexander and Melanie Thomas; granddaughters, Emma Alexander and Jaquelyn Thomas; brother, David (Michelle) Radtkin; former husband, Noah Thomas; dog and faithful companion, Abbey and many nieces, nephews and other loving family members and friends.

Preceding Lynne in death is her brother, Richard (Thelma) Radtkin.

A celebration of Lynne's life will be held later in the spring.

In lieu of flowers, memorial contributions in honor of Lynne, may be made to Rescue Village, 15463 Chillicothe Rd., Novelty, OH 44072.

Arrangements entrusted to the Brunner Sanden Deitrick Funeral Home and Cremation Center, 8466 Mentor Ave., Mentor, Ohio 44060.

LS

“ During classes together at North High School, I always remember Lynn as an intelligent, kind, and friendly person who I was privileged to call a friend. I am so happy that we reconnected several years ago when she came to visit me on Hilton Head Island, and we spent several days reminiscing and enjoying our time together. So sorry for your loss.
