“ *Becky and family,*

It was such a blessing to work with your Mom, and I cannot tell you how often she would engage me in interesting conversations about just about anything! She was a Renaissance woman with a Reformation spirit, and her love for the Lord and others was evident in everything she did.

I am so sorry for your loss, but I know I can rejoice with you in that she is now with her Lord, Whom she loved so much and Whom she shared with everyone she met. May the God of all comfort wrap His arms around you and yours at this time.
