“ To Madelyn's family...I am sorry for your loss and may she rest in peace with the angels. Madelyn was a favorite customer of mine. When she came in the store I work at she always waited in my line no matter how many customers were waiting before her and even if the other lines were shorter. I so enjoyed those few minutes we had to ask about each others lives and what news we had to share, Sometimes in the retail business people are not very pleasant but she was the exception. She always put a smile on my face and I looked forward to her visits, I will miss her very much.
