“ *My Father Mahipal was the single greatest most caring loving human being I have ever known. Every persons life that he touched whether friends family or stranger loved him. I have never felt a stronger force in my life than this man. He was a pure and simple miracle to bless us with his presence and he will live in my heart and so many for eternity. I love you father forever*

This is something I tried very hard to avoid. When I got the call, I knew that they meant someone else. Not Mahipal! I have never met someone so genuine and kind. I am thankful that I was BLESSED to be graced by his presence! Each day I saw him, he hugged me so tight, kissed me on my forehead and said "Love you baby" I will never ever forget that! Those were his last words to me Saturday afternoon. I would love to see him coming, because I knew I was getting my hug and kiss, some days that was the only thing that got me through the day! He will FOREVER remain in my heart and in my prayers. "Love you baby"

I never met Mr. Juneja but I did meet his son, Neil and I know what a wonderful man he must have been by knowing his son and Family and their values. My deepest sympathy to Neil and Family as they grieve the loss of their Father and Grandfather. Joyce Dirrman, Willoughby, OH
