“ *Malerie cut my hair last month. Having returned for another cut today (hoping for Malerie) I was beyond saddened at the news. I've been a client of Malerie's for several years, and made it a point to let her know last month how nice she could make me look! It's rare that a person can literally improve the confidence of others with their skills like Malerie could. Terribly sorry for her family and co-workers. She was a very kind an caring person. We will all miss her. -Jim Armstrong*

“ Both my husband and I had our hair cut by Malerie last week. She was wearing her sparking headband and I told her she looked like a princess in a Walt Disney movie. Not only did always give us the best haircut of our life but she was a pleasure to talk to. Malerie was so contented with her life and always a positive person. She will be missed.
