“ Maggie and I first met playing in the first girl's softball league in Painesville. She was an amazing catcher. Years later when I married into her family, I soon realized what an inspiration she was to all who knew her. Plants and gardening were her hobbies but caregiving was her passion. She loved seeing the people she cared for smile especially when she made ice cream sundaes. Her positive demeanor and beautiful smile will be missed.

“ I met Maggie when I was in Heather Hill recovering from many surgeries. She was a lovely person, always smiling and going the extra mile. She would always bring me ice cream or root beer floats. She was a wonderful person. My condolences to the family.
