“ Robert: We were so sorry to hear of the passing of Maria and appreciate your letting us know. Marilyn and I send or sincere condolences. As you may know I worked with Dick for many years at Pratt & Whitney and at Kearney & Trecker. We shared many good times with Maria at company social functions. Maria was a delightful person, and I'm sure a sad loss to you. However, you can find peace of mind knowing she is again with her beloved husband, Dick. Dick was one of the most capable, supportive and get it done employees I have ever worked with and I'm sure Maria had much to do with that. God bless you and your family. Marilyn and Buck Cody

“ Prayer

"A voice that was familiar to us is no longer among us. What remains are memories which no one can take from us."

"When God saw that her way was too long, the hill too steep, and she grew tired, He put his arm around her and said, 'Come home.'"

In silent mourning, your siblings and relatives.

“ Our sincere condolences to Robert and Maria's other family members. She was a good friend when we lived next door to her in Glastonbury, CT. Will always cherish our fond memories of our days together there and the kids playing together, especially at the apartment complex community pool in the summers. Our prayers, Mary Claire and Ed Mack

“ To Robert I send my sincere condolences. Your Mother was a dear friend of mine when we lived in Glastonbury. She taught myself and three of my children piano. Maria and I spent many happy luncheons together. We kept in touch at Christmas with cards. She will be missed.

“ I am so sorry to hear about Mrs. Latsko's passing. She is now in the hands of the Lord. I was her piano tuner for the last 10 years or more. Mrs. Latsko was such a delightful person. She would call me every 6 months to get her piano tuned, the instrument that she truly loved. I will miss her and I wish all the family well. Condolences and prayers for a wonderful person!
