“ I will miss her dearly. I used to work in the assisted living facility and I would bring my dog up to see her. I remember sitting with her and talking about her favorite quilt that her aunt made from the scraps of her childhood dresses or the desk her father made her so she could pretend to be a teacher. She was such a kind soul and I hope she rests in peace with her dear husband.

“ Marie was so sweet. She sat at the dining room table where my dad was seated early on in his stay at Salida. Thereafter I always stopped and spoke to her. She would brighten up every time. I'm sorry for the loss of this lovely woman. My condolences to you all.
