“ *Grammy I love u so very much! Even though my heart is truly broken I am happy that u are with my Papa and Aunt Judy! U always made me feel so very special and loved! I will cherish all of our memories, your letters, voicemails, texts and pictures forever! I miss your beautiful voice, your amazing hugs and all of your interesting life stories. U have been such a blessing to me my whole life. U have inspired me to be better in every area of life. U encouraged me and gave me strength even when I felt like I had no more to give. Your words of wisdom, understanding and amazing heart of gold were truly admirable. There are not enough words to express how truly so special and important u were to me Grammy! I am so grateful to God for all the years we had together as your granddaughter and the time u had with my kids your great grand kids! Thank u so much for supporting me and loving me unconditionally!
