“ Mrs Recchia, I always called her that out of respect and was teased about it. I am her daughter n law, Jennie's cousin. I had the opportunity to know her at many of our family get together's. The thing I remember most was her presence. I saw a confident, kind, outspoken, happy, and always put together woman. Secretly I wanted to be like her. The secret is out, thank you Mrs. Recchia for being such a wonderful inspriration for me. I love you. Kathleen lammarino
