“ I just thought of Marion and found this quote from her from our time together when I was a priest at St. Gabe's from 2011-2015: "That's when you realize how good the Lord is; when you need him and you have no one else at your side. The Lord is good. If it weren't for him I couldn't make it." I wanted to share that will all and hope she is happy in the arms of the Lord who she longed so often to grow closer to.

“ Sue and I loved seeing Marion and my other cousins and exchanging memories at the house in Mentor on the lake. Will always remember her mom and dad too.
