Condolences to you all. You are, very special to me. Your kindness to me has always gave me comfort, beyond words I can Express. My prayers are with you now for comfort and peace during your loss of a loved one. I am thankful I got to see Mink and you recently. Esther, heart goes out to you for loss of a husband because I know how hard it was with caring for Mink. Losing my first husband to heart failure, trying to care for him and working at the same time gives me understand of you and all your hardships you gave to Mink. I love you very much for that and being the special person you are. I will do my best to visit when I'm in Ohio again. Love Verna.
