“ Marlene was my Aunt Marlene. She was one of my mother's childhood friends. My memories of her are happy ones in that she lived in Los Feliz with her daughter, Kirsten, and my mother and I would go over after my mom would get home from work and we'd have dinner or visit. Great memories of her. My Aunt Marlene was beautiful, funny, classy and caring and kind to me. She was also an amazing cook like her mother, who was also a beautiful soul. I loved the bond she and my mother shared. They went through many live stages together and spoke regularly these last few years. Just watching their friendship was a gift for others and for myself. She will be deeply missed by me and my mother. Love you Auntie Marlene. Thank you for your mark in my life.
