“ As children of Martha's much loved brother Fritz, we here in Canada didn't have the opportunity to enjoy visits with our aunt Martha as often as we'd have liked however there was never -but never- a dull moment when she was around! I will always remember aunt Martha as a having a huge heart, boundless energy and generosity. And she was always feeding us! With aunt Martha's love of family and her candor, she never hesitated to speak her mind and I for one, always appreciated and admired that because I always knew where I stood with her. Whenever I wanted a completely honest opinion on an issue I gave her a call because she was the one person who'd say "ok, Maria you asked so I'll tell you the way it is..." HA! We've always loved her very much. We miss you aunt Martha and will always remember your terrific spirit, your unconditional love of family and those traits live on for sure in your kids. grandkids, great grandkids...
