“ Very sorry to hear of Marv’s passing but I’m glad to learn that he lived such a long life. I worked with Marv for over 20 years at Picker International until he retired. For many of those years I interfaced with him daily. He was one of the finest people I have ever known. He performed his job with dedication and total integrity. I never knew anyone to say anything negative about the man. He was the definition of the word “class”. I feel honored to have known Marv.

*My sincere condolences to the family.*

“ I will always remember Marv as one of the back-bones of the Picker X-Ray family of days past when everyone pitched in to do whatever had to be done. His upbeat spirit and positive attitude affected many of us personally. May he rest in eternal peace in the arms of the Lord...
