“*Mary Ann was someone I had the privilege of getting to know as her home health aide. During the time that we spent together, a special bond was formed. It was quite apparent early on that she was intelligent, sharp, witty, and she loved her family very much. She taught me how to play Shanghai rummy and would share fond memories with me over a few hands. This always brought a smile to her face. Mary Ann expressed deep gratitude towards me for the care that I was able to provide her and with a heavy heart, I wish to express deep gratitude in return. My deepest condolences are with her family during this difficult time.*”

Mary Ann was my cousin on my father's side. I sure remember Mary Ann fondly so many years ago when we had family get-togethers for the holidays. She was one of those super cool, smart and stylish cousins ... who in hindsight you sure wished that you had spent more time with back then. My condolences to her family and loved ones. She will surely be missed.
