As Jean's longest living friend (over 80 years), I remember her wearing her penny loafers and magenta broomstick skirt. She was leading our summer playground group in a baseball game. Jean was pitching. We took many one day trips together and played tennis as partners in a league. I shall miss all our phone calls and visits. She made delicious zucchini bread which she always shared. I shall miss her so very much. Love you always, Your friend, Marilyn Repasky
