“ It is a great picture of Mary Jo and just as I remember her I remember our visit to Florida years ago. I especially remember her hospitality and her very serious attitude about card playing. She was tolerant of my less than stellar card skills. I also remember our lunch at the tea shop with you, me, Mary Jo, and Betty, my mother-in-law. All of you are in my thoughts and prayers. Love, Brenda

“ What a beautiful picture of her! I felt so privileged when Mary shared her thoughts and wishes with me the last time I saw her. I will never forget her words. Thank you Margaret for including me in your “family”. Love you all. Beverly Howse
