“ *So sorry to hear of Mike's passing. Shared so much time with him at the Lake County Jail learning to perfect the job of Corrections Officer. Whether as a Correction Officer or Sergeant he brought compassion and respect to the job. Mike helped develop a lot of new officers into the corrections field and it made a huge impact on the development of the jail and its affect on returning people back to society better than when they first came to our doors. I know Mike loved Mel and his two sons dearly. He spoke of them often and with such caring. My prayers for him, for Mel and his sons. RIP*
